

**A visible
advantage
to storage
in the
workplace**

- Clear polyethylene vision panels
- Designed for use where visual inspection of content is required
- Act as a deterrent to workplace pilfering
- Allows for quick visual stocktaking of items stored
- Welded reinforced doors and door frames
- Ideal for use in food industry, catering, retail, manufacturing, government buildings, museums and galleries

BioCote Protection

We offer the patent-protected BioCote anti-bacterial finish as standard on all internal and external surfaces. BioCote inhibits the growth of potentially dangerous bacteria and fungi, such as Salmonella, MRSA and E. Coli.

DATA SHEET

INSIGHT

Lockers & Cupboards

Cupboards feature a barrel lock with 2 point locking and 2 keys. Doors are reinforced with central section welded to the door for extra strength and security. Shelves sit on clips and are adjustable on a 40mm pitch.
